Professional handlers, household members and current assistants to professional handlers may not exhibit the dog in any AKC National Owner-Handled Series competition during the entire show. A current assistant is defined by anyone employed by a professional handler on a full-time basis, or assisting a professional handler at the show or any show during the cluster/weekend, however current assistants that are eligible to compete in Junior Showmanship (meet age and amateur status requirements) may participate in NOHS.**

Owner-Handled Best of Breed will be selected from the dogs that are competing in the Best of Breed competition including Winners Dog, Winners Bitch and winners of the non-regular classes.

The breed will not be represented in the Owner-Handled Group if there is no eligible dog competing in the Best of Breed, or in Best of Winners competition.

**Professional handlers are defined as any person who belongs or has belonged to a professional handlers’ organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years.*
